

Repeat A A horizontal dashed line representing a timeline. It features two pairs of vertical blue tick marks in the first third, a solid blue rectangular block in the second third, and a cluster of four groups of vertical blue tick marks in the third third. The groups consist of 1, 2, 3, and 4 tick marks respectively.

Repeat B A horizontal dashed line representing a timeline. It features a dense series of vertical blue tick marks in the first third, a single vertical blue tick mark in the second third, and a pair of vertical blue tick marks at the far right.

Repeat D A horizontal dashed line representing a timeline. It features a solid blue rectangular block covering the first third, a single vertical blue tick mark in the second third, and a pair of vertical blue tick marks at the far right.

Repeat E A horizontal dashed line representing a timeline. It features two pairs of vertical blue tick marks in the first third, a solid blue rectangular block in the second third, and a cluster of four groups of vertical blue tick marks in the third third. The groups consist of 1, 2, 3, and 4 tick marks respectively.
